

Job Description: Full time Healthcare Virtual Assistant (HVA)

Role Title: Full-Time HVA (Primary Intake & Supply Logistics)

Department: Front-end Department

Reports to: Front-end Manager & Field Technician Manager, Logistics & Patient Support Lead

I. Position Purpose

The primary mission of this role is to establish "Phone Ownership" and maintain "Supply Chain Integrity". By assuming these critical tasks, the HVA ensures a seamless transition before any staff departures and empowers the Front-End Manager to focus on high-level supervision and operational stability.

2. Key Responsibilities & Functional Areas

A. Communication & Intake Leadership

- **Primary Point of Contact:** Act as the first responder for all inbound inquiries, ensuring professional and timely communication.
- **Managerial Support:** Facilitate the delegation of phone lines to allow leadership to focus on executive and supervisory duties.

B. Supply Chain & Inventory Oversight

- **Friday Audit Protocol:** Conduct comprehensive weekly audits of all medical kits, vials, and shipping materials.
- **Proactive Procurement:** Monitor stock levels to maintain a strict **14-day "Safety Level"** at all times.
- **Logistics Coordination:** Track the transit of kits to guarantee on-time delivery to patients and diagnostic processing centers.

C. Revenue Optimization & Scalability

- **Continuous Service Model:** Support the elimination of "Downtime Weeks" by managing the logistics required for a full four-week service cycle.
- **Capacity Expansion:** Assist in transitioning the company to weekly blood services and drop-offs, contributing to a projected **25-50% increase in monthly service capacity**.
