

SOP: Part-Time Scheduling Coordinator & Physician Outreach

Version: 1.0

Effective Date: April 10, 2026

Review Date: March 25, 2026

Scope: Clinical Operations & Administrative Staff

Purpose and Objective

To establish a standardized framework for managing patient flow, physician engagement, and community outreach. This SOP ensures operational efficiency while maintaining compliance with **ISO 9001:2015** (Quality Management), **HIPAA** (Patient Privacy), and **OSHA** (Workplace Safety).

Role Definitions

- **Scheduling Coordinator:** Responsible for the seamless management of the clinical calendar, patient intake, and front-end administrative duties.
- **Physician Outreach Liaison:** Responsible for fostering professional relationships with external clinics and coordinating community-based health programs.

Procedural Standards

Phase I: Temporary Operational Coverage (Part-time HVA)

Pending the onboarding of a Full-Time Healthcare Virtual Assistant (HVA), the following schedule and duties apply:

- **Schedule:** Monday–Friday, 10 AM – 4 PM.
- **Mon–Wed Focus (Email Management):** Primary responsibility is managing patient inquiries via the website and company email accounts. This includes backend preparation for **Community Sight Days**.
- **Thu–Fri Focus (Phone Lead):** Temporarily takes over as the primary voice for all incoming phone inquiries and lead management.
- **Escalation Etiquette:** During high volume or complex inquiries, the coordinator must proactively seek support from **Ms. Carina** or **Ms. Rheinalei** to ensure zero patient wait times.

Phase II: Scheduling Coordination (Front-End Operations)

- **Calendar Management:** All appointments must be logged in the designated practice management system. Adhere to **Wave Scheduling** or **Stream Scheduling** as dictated by clinic capacity.
- **HIPAA Compliance:** When collecting patient information, verify two identifiers (e.g., Full Name and DOB). Ensure all digital screens are shielded from public view.
- **Patient Flow:** Monitor the "Real-Time Status" of the waiting room. Delays exceeding **15 minutes** must be communicated to the patient immediately.

If you have received this electronic message in error, please notify the sender immediately and destroy the original message and all copies.

Phase III: Physician Outreach & Engagement

- **Referral Tracking:** Maintain a secure database of referring physician offices. All correspondence must be sent via encrypted email or secure fax.
- **Program Support (Community Sight Days):** * Coordinate logistics for off-site screenings.
 - Ensure all outreach materials clearly state patient privacy rights.
 - Maintain a **Community Engagement Log** for ISO quality audits.

Compliance & Quality Control

Standard	Application in this Role
ISO 9001:2015	Continuous improvement of workflows via monthly "No-Show" data analysis.
HIPAA	Encryption of all Patient Health Information (PHI) during physician outreach.
OSHA	Workstations must adhere to ergonomic standards (proper chair height/monitor level).

Documentation Requirements

- **Daily:** Appointment Audit Report.
- **Weekly:** Physician Outreach Progress Log.
- **Monthly:** Quality Metrics Review (ISO Compliance).

Note: Any deviation from this SOP must be documented and reported to the **Clinical Operations Lead** for review.
